Free advice service for
Lewisham families with children

Need help finding childcare or services to support your family?

Lewisham Council's Family Information Service (FIS) offers free and impartial advice to parents and carers. From childcare to accessing your free early education entitlement, FIS can help you find services for families with children and young people aged 0–19 years (or up to 25 years, if they have additional needs).

How we can help you

We can put you in touch with services for:

- childcare and free early education
- children and family centres
- special educational needs and disabilities (SEND)
- health
- schools and learning
- support for parents and carers
- young people activities and clubs.

Children and Family Centres

Families can access a range of services and information from health, education and social care professionals at centres across the borough.
