

# Hello everyone!

Welcome to our new series: Hidden Lewisham.

Our borough has some real treasures including ancient woodlands, streams and rivers. As lockdown measures ease some of us are finding ourselves a bit bored with our local area so we wanted to share some of our favourite hidden spots across the borough with you. We've also made a fun nature treasure hunt for each place so you and your children can look for the treasures of nature.

All of our Hidden Lewisham sites are free to visit and close to transport links and make a great day or few hours out with your family.

We hope that you enjoy visiting them and it would be great if you could share a photo of you and your family enjoying your visit at the hashtag #lcfchiddenlewisham.

# Cornmill Gardens and River Mill Park

#### About the park

Situated just off Loampit Vale, and across the road from the back of Lewisham Shopping Centre, this is the first of three new open spaces planned for Lewisham Town Centre. Since it opened, Cornmill Gardens has

been recognised in a number of national design and landscaping awards. If you are on your way to somewhere else in the borough from Lewisham it is a handy little park to while away a little time.

#### What can I see

The park is flat with nicely maintained paths and the River Pool runs through it. And here is a small playground. It forms part of the Waterlink Way which leads from Sydenham to the

River Thames. There are lots of native plants and trees.

### How do I get there

**Buses:** 21, 47, 199, 136, 185, 75, 122, 182, 202, from Catford, Ladywell & Brockley, Greenwich

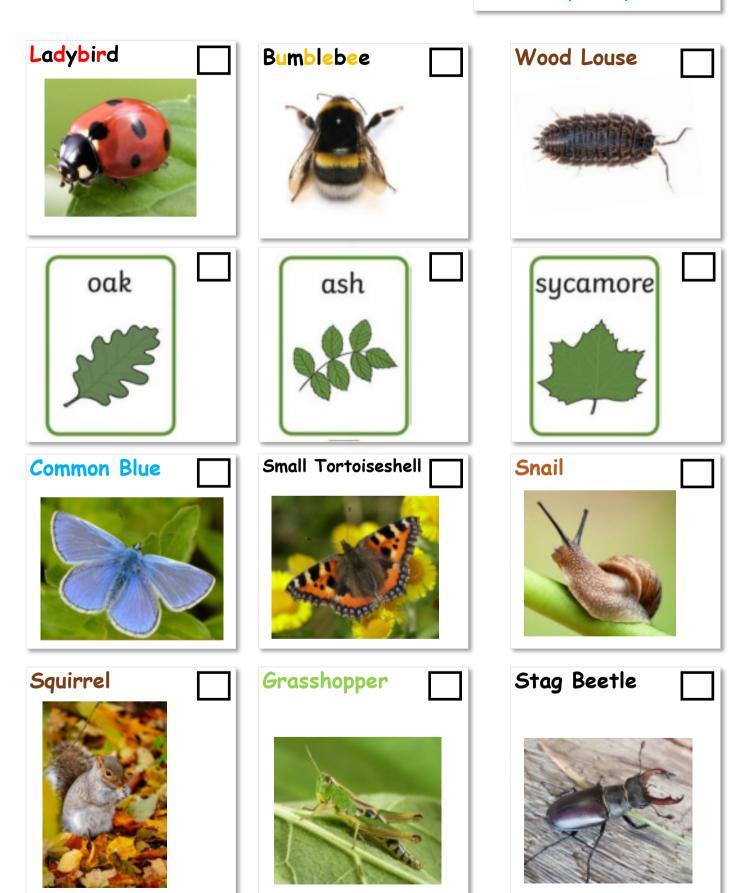

How many can you find?

Stay & Play activities to try @the park

#### Cornmill Gardens & River Mill Park Activities

How many will you try?

# Leaf Rubbing

Collect some leaves and bring them home. Use paper, crayons see their different patterns.

#### Nature smells?

What can you smell in different areas of the park? Smell the trees, flowers and see if they are different.

### Bring a ball

A ball is a great way to have fun at the park. Bring a big ball for football or a small one for practicing catch or playing cricket.

# Go on a bug hunt

Lift small stones and logs, to see who's living there. Remember to put them back gently and wash your hands.

### Teddy bears picnic

It's well known fact that teddy bears love the park. Bring them with you and a snack and a drink and show them what you can see.

### Make a picture

Bring some paper and pencils and draw a picture of a flower or something that you like. Or make one at home.

#### Listen to the birds

Find a quiet spot and listen to the birds how many are different songs can you hear? Which bird is singing?

#### Make daisy Chains

Daisy chains are easy and fun to make. Ask your grown-up — I bet they still remember how to make one!

### Take some photos

Taking photos of your trips are a great way to remember what you've seen that day.
