

**Early Years Alliance  
Zoom Session consent form**

**Parent Full Name:**

**Consent:**

I understand that there will be no payment for providing consent to access the Zoom sessions.

I consent to access the Zoom sessions using the code and password provided to me by the Early Years Alliance on the understanding Zoom does not use end to end encryption which creates an increased risk of the sessions being accessed and/or interrupted by third party cyber hackers . This issue is being addressed by Zoom and their upgraded security facility is scheduled to be available by 30th May 2020. Our session facilitators will download and use Zoom 5.0 and the encryption upgrade as soon as possible when available on May 30th 2020. Early Years Alliance Zoom sessions are NOT recorded.
