September 2020

What is the EU Settlement Scheme?

The **EU Settlement Scheme** allows you and your family members to get the immigration status you need to continue to live, work and study in the UK **beyond 30 June 2021**.

This status means you can continue to be eligible for:

- ✓ public services, such as healthcare and schools
- ✓ public funds and pensions
- ✓ British citizenship, if you meet the requirements and want to apply

Who should apply?

Except in a few cases, **EU, EEA and Swiss citizens resident in the UK by 31 December 2020, and their non-EU family members, need to apply to the EU Settlement Scheme.**

EEA countries and Switzerland:

Austria
 Belgium
 Bulgaria
 Croatia
 Republic of Cyprus
 Czech Republic
 Denmark
 Estonia
 Finland
 France
 Germany

Greece
 Hungary
 Iceland
 Ireland¹
 Italy
 Latvia
 Liechtenstein
 Lithuania
 Luxembourg
 Malta
 Netherlands

Norway
 Poland
 Portugal
 Romania
 Slovakia
 Slovenia
 Spain
 Sweden
 Switzerland

Even if you have lived in the UK for many years, or you have a UK permanent residence document, you still need to apply to the EU Settlement Scheme. You do not need to apply if you have **indefinite leave to remain or enter**, but you can if you want to.

¹ Irish citizens do not need to apply, but they can if they want to. Their non-Irish, non-British family members will need to apply to the EU Settlement Scheme if they want to stay in the UK. A family member of a relevant person of Northern Ireland is also able to make an application to the scheme.

Family members of EU citizens

Non-EU family members living in the UK by **31 December 2020** also need to apply to the EU Settlement Scheme. Close family members who are not living in the UK by **31 December 2020** will be able to join their EU family member in the UK at **any point in the future**, as long as:

- the relationship still exists; and
- their EU family member was resident in the UK by 31 December 2020 and usually has successfully applied to the scheme by 30 June 2021

Close family members are: spouses, civil partners, unmarried partners and dependent children, grandchildren, parents and grandparents. Family members do not need to be from the EU, they can come **from anywhere in the world**.

Children need to secure an immigration status as well as adults. For information about **applying on behalf of children**, visit [gov.uk/apply-settled-status-for-child](https://www.gov.uk/apply-settled-status-for-child)

How to apply

You need to complete a **short 3-step online application form** using a computer, tablet or mobile phone. Your application saves automatically, so you can start the application and complete it at a different time if you want to. Once you have made an application for yourself, this can be linked to your family member's application, using your unique applicant number.

It is **free to apply** to the EU Settlement Scheme.

Application guidance can be found on **GOV.UK**. Once you have read the guidance, start your application at [gov.uk/eusettlementscheme](https://www.gov.uk/eusettlementscheme)

Proof of identity

Step 1 of your application: verify **your identity** and **nationality** using your passport, national identity card, or biometric residence card (if you are a non-EEA citizen). You can **either**:

- ✓ scan your biometric identity document using the EU Exit: ID Document Check app on compatible iPhone and Android phones
- ✓ send in your identity document by post
- ✓ visit a location providing access to the ID document scanning service. To check availability of this service and for more information, visit gov.uk/eu-id-scanner-locations

You will also have to upload a digital photo of yourself.

Proof of residence

Step 2 of your application: prove **your residence** in the UK by providing your National Insurance number, if you have one. In some cases, you may need to upload additional documents to your application, for example if you do not have a National Insurance number.

Criminality check

Step 3 of your application: complete the **criminality check** by declaring any criminal convictions. Only serious or persistent criminality will affect your application.

Successful applicants will get **digital proof** of their status through an online service: gov.uk/view-prove-immigration-status. You will not get a physical document unless you are from outside the EEA and do not already have a biometric residence card. You can track the progress of your application online.

Pre-settled status

If you receive **pre-settled status**, also known as limited leave to remain or enter, this means you can stay in the UK for a period of 5 years. This will allow you to remain in the UK until you are eligible for settled status, generally once you have lived continuously in the UK for 5 years. Then you can apply for settled status.

Settled status

If you receive **settled status**, also known as indefinite leave to remain or enter, this means there is no time limit on how long you can stay in the UK. You can apply for British citizenship if you meet the requirements and want to apply.

Both pre-settled status and settled status allow you to continue to live, work and study in the UK beyond 30 June 2021.

Apply now

You can apply to the EU Settlement Scheme now and the deadline is **30 June 2021**. Your rights will remain unchanged until then, provided that you were resident in the UK by **31 December 2020**.
